Reading Glasses May Become a Thing of The Past, Owen Sound*

Dr Orr, of the Grey Bruce Laser Vision Centre in Owen Sound, has been chosen as one of only fifteen ophthalmologists in Canada to offer a ground breaking near-vision restoration technology.

The Grey Bruce Laser Vision Centre has been recognized as this region's premier clinic for state-of-the-art vision correction. It is one of only 10 centres in North America chosen to be the first to offer KAMRA {-K-A-M-R-A-} Vision, a Near-Vision Restoration procedure. This safe, advanced procedure restores crisp near-vision in adults frustrated with reading glasses or bi-focals.

People interested in finding out more can attend one of the following free "Near-Vision Restoration" Seminars:

Date: Thursday October 18 Time: 6:30pm Location: Owen Sound

Date: Thursday October 25 Time: 6:30pm Location: Owen Sound

Date: Tuesday November 6 Time: 6:30pm Location: Southampton

Date: Monday November 19 Time: 6:30pm Location: Collingwood

"Near-Vision Restoration" Seminars are open to the public, but seating is limited. Please reserve today by calling the Grey Bruce Laser Vision Centre 519-416-20-20, email: consultations@greybrucelasik.ca or visit greybrucelasik.ca to register.

(NOTE: Contact Information is below; Dr. Orr can be reached at either 519 416-2020 or his main medical practice line 519 371-8096 if any further information is required.)
